The notes on the piano

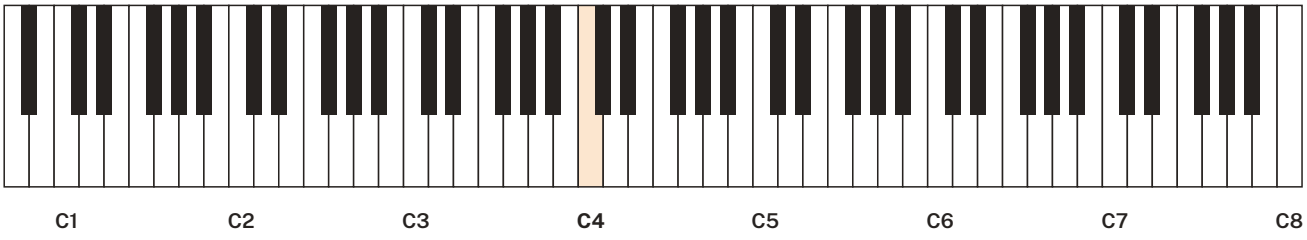

Two octaves with every note name, and the whole keyboard with its octave numbers.

middle C

Each black key has two names: a sharp (♯) of the white key on its left, and a flat (♭) of the white key on its right.

The whole keyboard: 88 keys

The same seven letters repeat from left to right. The number tells you which octave a note is in: middle C is C4. Lower notes are on the left, higher notes on the right.
